FOR SALE WITH VACANT POSSESSION: CORNER FREEHOLD PROPERTY IN CENTRAL BRIGHTON

LOCATION

Situated on a prominent corner to Beaconsfield Road (main A23 into Brighton) and Ditchling Rise, linking into the main London to Brighton routeway. Within easy walking distance of Preston Park (400m) and Brighton mainline railway station (500m), London Road station (250m) plus the busy shopping area of London Road. Surrounded by the densely populated residential area of Roundhill.

Description

A genuinely unique opportunity to create a new restaurant outlet from former Bank premises retaining many original features. Two internally approached courtyard gardens for outside dining with potential to create a further external dining area to the front of the building. Kitchen, toilet facilities, stores and cellar have been planned for the basement area.

Planning Potential

Although the building is currently rated as commercial premises, the first floor at some stage in the recent past has been used as a self contained flat and we believe there is potential to convert back to the same, subject to the necessary consents.
