Household Waste & Recycling Site, Station Road, Forest Row,
RH18 5DN

FREEHOLD SITE WITH DEVELOPMENT POTENTIAL

LOCATION

The site is located on the north - eastern edge of Forest Row and occupies former railway land at the northern end of Station Road. Forest Row Fire Station and Forest Row Social Club adjoin the site to the west and a Scout Hut is located adjacent to the eastern boundary. The Forest Way Linear Path runs parallel with the northern of site but existing trees provide a good natural screen along the northern boundary. Industrial development exists to the south and access to the site from Station Road is via an extensive open courtyard area in front of the Fire Station and Social Club buildings.

Forest Row is a large affluent village to the north of East Sussex, located 3 miles south of East Grinstead with a population in the Parish of approximately 5,500 persons at the last Census. The village has retained much of its original character, being close to Ashdown Forest. The towns of Tunbridge Wells, Crowborough and Uckfield are all within easy reach of Forest Row.
